Franklin Vaughan, President of the Appomattox County Chamber of Commerce, right above; and Tommy Matthews, left above, Executive Vice-President and Chairman of the Membership Committee; chat with John Stroud, center, Executive Vice-President of Charlottesville and Albemarle County Chamber of Commerce, at the annual Membership - Dinner meeting on Thursday of last week.

C of C Annual Meeting Held

The annual Membership-Dinner meeting of the Appomattox County Chamber of Commerce was held Thursday, April 18th, at 7 p.m. at the Parkway Restaurant.

John Stroud, Executive Vice-President of the Charlottesville and Albemarle County Chamber of Commerce, was guest speaker for the evening.

A brief history of the Chamber of Commerce was given by Stroud beginning with a C of C, so to speak, in Babylon thousands of years ago and continuing to the modern day Chamber of Commerce and its functions.

Stroud told the group that great Chambers are business people who are voluntarily giving of their time, money and talents to solve community problems, there are no small chambers.

He continued, "Our President in his inaugural address best described this, 'Government has tried to solve the problem of our country and has failed. Today, more than ever, we need the leadership of the business community to solve our problems.'"

He asked local members to consider the following: What are the problems of our community? What is our Chamber doing to solve those most pressing problems? As a businessman, what are your two biggest problems? And what is the Chamber doing to help solve those problems?

Stroud concluded his remarks by saying, "The future of your Chamber of Commerce is no different than your business - it will be what you want it to be. Don't wait for the other guy - the expert to tell you what it will be – you provide the leadership."

seems trapped in a whirlpool of isms which threatens to pull it in to a vortex of chaos before it is tossed, wrecked, on the shore."

He stated that he regretted that he could not say things are getting better, in fact, he seemed to think they are getting considerably worse and will continue to for the immediate future.

However, Daniel continued, "I am encouraged that by the time we light the two hundred candles on our national birthday cake, in 1976, we may very well see a return to the virtues and the ways which served our nation so magnificently."

In concluding, Congressman Daniel told the group that we are approaching the point where we can once again seize the tiller or the wheel, and set our own course as individuals, as free men and women - free to choose our own ways.

Stonewall Extension Club Held Meeting

The Stonewall Extension Homemakers Club met with Mrs. Annette Alvis on Thursday, April 11, 1974, with eight members and one visitor Brenda Stratton.

Mrs. Alvis read a portion of the book of James as the devotion. Mrs. Helen Routon read a poem, "Step by Step."

The president called for the roll to be taken, and then the minutes were read and approved.

The president also told us that the annual picnic will be held on August 10, 1974, at the home of Anne Stratton and there will be no spring trip this year for the Appomattox County Clubs.

The Fireman's Bazaar on April 26, 1974, and club members were reminded of the pies that we have promised to furnish.

The clubs in the county have been requested to provide a $25.00 scholarship for a child to attend the 4-H camp. Due to our limited funds we voted not to participate.

Each member was requested to donate cookies to the March of Dimes, "Walk-A-Thon," scheduled for April 20, 1974.

Mrs. Inez Foster presented the Federation Program, "An Attractive Mailbox."

Mrs. Hallie Roope reported on her new driveway entrance; a result of our previous program, "Driveway Entrances."

After the Homemakers' Creed and Prayer was repeated, Mrs. Helen Thomas gave the demonstration on "Counting Calories."

The meeting was adjourned and we enjoyed refreshments served by our hostess.

Eleanor Stratton, Secretary

4-H REPORT

On April 18, David Stratton called the 7th grade 4-H Club to order. Then the secretary read the minutes of the last meeting. The Vice President turned the meeting over to Mr. Sweet and Mr. Goldman.

Mr. Sweet handed out certificates to the people that took part in Share-the-Fun. He also handed out applications to the people who planned to go to 4-H camp.

The 4-H Demonstration contest was held on April 20, 10:00 a.m. at A.I.S.

We saw slides on 4-H camp and also slides on Dairy Month Poster Contest. The theme this year is "What Milk Can Do For You". The meeting was then adjourned.

"THE WORD OF GOD"
"Wherewithal shall a young man cleanse his way? By taking heed to the Word of God." If the powerful convicting Word is kept from them, young or old, they will never cleanse their way.
The Word of God is a sharp sword given to cut, to wound, to prick the heart and to heal. It is given to convict of sin, to convert the rebel and to point men to the Lamb of God. The Word of God is not to be the butt of jokes, the material for foolish discussions and agruments. The Word of God was given to ministers to use to amuse sinners on their road to hell. The Word of God is not given to ministers for sarcastic declarations or as proof of our systems of theology. The Bible Truth is the solemn voice of our Holy God and should always be handled reverently and seriously.
"All scripture is God-breathed." The Word of God is not given to comfort men in their sins. The right handling of the Word of God will make men uncomfortable outside the will of God. The Word will give assurance and comfort to the believer, but it will keep apart from faith and obedience.
